Greg Melchin joins the Board of Vacci-Test Corporation

Vacci-Test Corporation ("VTC") of Calgary, Alberta, Canada is pleased to announce that Mr. Greg Melchin, FCA, ICD.D, B.Sc., has been elected to the Board of Directors of Vacci-Test Corporation.

Mr. Melchin was a member of the Legislative Assembly of the Province of Alberta from March of 1997 to March 2008 and served as Minister of Revenue in the Alberta Government from 2001 to 2004, Minister of Energy from 2004 to 2006 and Minister of Seniors and Community Supports from 2007 – 2008.

Mr. Melchin is a Chartered Accountant and holds a Bachelor of Science degree from Brigham Young University. In 2005 he was awarded the Fellow Chartered Accountant designation for his distinguished service to his profession. Mr. Melchin brings a wealth of business experience to the Board of Vacci-Test having been involved in the Calgary business community for over twenty years and from service on other corporate boards. He has been appointed Chairman of the Vacci-Test audit committee.

Mr. Melchin stated, "My experience in Government has convinced me of the paramount importance of the food supply and I was attracted to Vacci-Test and its technology as a new paradigm in food safety testing."

Mr. Don Buxton, Chairman of the Board of Vacci-Test Corporation, said "I am very pleased with the appointment of Mr. Melchin to the Board. He will be a great asset to the company and will add to the breadth and experience we need to deliver value to our shareholders."

VTC is a privately held Canadian company that specializes in second generation magnetic lateral flow tests for the rapid and precise detection and measurement of immune status and infection in animals and humans, and pathogens in food. A key element in VTC's product pipeline is a series of tests for the rapid measurement of pathogens associated with the human food chain.
